

Proudly working with Inverness Chamber of Commerce

Guaranteed cost savings

More flexible and cost effective tariffs than BT and other providers.

Local

Based in Inverness, our billing, technical support and account management is all conducted in-house to ensure we provide a personalised and efficient local service.

Community Player

Member of your local Chamber of Commerce

Reliable

Serving businesses all over the UK since 1994 and now operating internationally, we currently bill over sixty million minutes per annum.
