Sponsorship Opportunities

Inverness Chamber of Commerce is a commercial, independent membership organisation supporting the business activities of members through a broad offering of benefits and services.

With around 40 events held each year, Inverness Chamber offers both networking and profile opportunities in addition to support, advice and cost saving benefits.

It is the largest independent business organisation based in the Highlands and promotes economic growth in the area; actively campaigning for investment in infrastructure and transport to ensure that the specific needs of our business community are met.
